PERSONAL PROJECTS

OnMyBookshelf ⬀
- A book review blog that tries to give its user the best possible information about the books they like. The users have the ability to rate and review the books they read.

WorkKosh ⬀
- A project aimed at providing the daily wage workers of the country a chance at finding job opportunities amidst severe situations such as the pandemic. People can log in to their accounts and can search for works in the city based on their preferences.

Artistify ⬀
- There is talent brewing everywhere in this country. Through our project we aim to provide that talent a platform to perform on. This platform can help bring out the various gifts possessed by the young minds in colleges/universities. From Music, Photography/Art, Poetry, Story, the platform does not let anyone be unheard.
